The League of Women Voters (LWV) is a national non-partisan, multi-issue citizen activist organization that actively participates in making our democracy work. It serves your community by encouraging informed, active citizen involvement and influences public policy through education and advocacy. Specifically it:

- Sponsors pre-election candidate debates to help voters make informed decisions
- Educates young people—the next generation of voters—on the voting process
- Conducts voter registration for all citizens
- Carefully researches all sides of local, regional and national issues, then endorses a position on those issues
- Holds monthly meetings featuring respected experts on relevant local, regional and national topics
- Distributes non-partisan voter guides on candidates and ballot questions
